# CREATING **SUCCESS & GROWTH** IN THE **CONSTRUCTION** ARENA

Setting Benchmarks of Exceptional Developmental  
Endeavors

Concurrently held with Saudi Stone Tech, Saudi Build PMV Series, Interior Design and Saudi Building Technology & Automation, the 31<sup>st</sup> Edition of Saudi Build Exhibition concluded its grandeur with an overwhelming success held under the patronage of His Royal Highness, **Prince Faisal bin Bandar bin Abdulaziz Al Saud, Governor of Riyadh Region.**

The event was executed over a span of four days starting from 7<sup>th</sup> of October to the 10<sup>th</sup> of October 2019. It aimed at nurturing the construction and development sector in the Kingdom by opening its doors to greater opportunities for all local and international participants. Hosting **9 National Country Pavilions** and witnessing participation from **over 520 exhibitors** and **over than 23k visitors**, the event celebrated a cultural unification and massive engagements from leading professionals.

Visitors were also introduced to modern building techniques and the role of emerging Building Technology Stimulus Initiative which supports transformative ways in the construction industry.

With keen alignment to the Kingdom's Vision for Better Quality of Life, it glorified the significance of investment in advanced technologies and the commitment towards finding housing that meets the aspirations of people in record time with high quality and competitive cost.

**LEADING INSIGHTS**  
THROUGH DIALOGUE  
A First of its Kind

## هانات لغان:

Saudi Build 2019 for the first time witnessed a 3-day conference built around extensive dialogue to showcase discussions around the future of construction industry in Saudi Arabia. The conference included keynote discussions around the prospects of notable investment projects, emerging smart cities and technologies, and the upcoming developmental endeavors across the region. The exhibition hosted panel discussions that included 18 sessions with more than 20 speakers, in addition to presenting 15 case studies attended by senior government officials and CEOs.

## FABIO CARDOSO

Moca Stone – Portuguese Pavilion

“ We are new here in Saudi Arabia. This is our 2<sup>nd</sup> time on Saudi Build exhibition. We got a lot of inquiries, our stand always full, we came to Saudi Arabia through Saudi Build looking for opportunities and for sure we will come again next year. ”

SAUDI  
BUILD

## GERMAN PAVILION

It's the 22<sup>nd</sup> time that we participate at the Saudi Build, we in total of 14 German companies this year. And we have a good, quite good feedback from them about the exhibition and we are happy to be here and hopefully we'll also be participating next year. We think that's the Saudi Build provides as is the largest construction exhibition here in Saudi Arabia. A quite good platform to get a look into the construction market in the region.

# TESTIMONIALS

## IBRAHIM AL HAIDARY

Saudi Ceramic – Saudi Arabia

Saudi Ceramic Company has been participating in the Saudi Build for 30 years, Inaugurating by the Riyadh governor. An outstanding attendance for the show, also a major advantage in this year's edition which is the presence of exhibitors as well as visitors from across the kingdom and abroad.

# Setting the Benchmark in CONSTRUCTION

**CHRIS LEPTOKARIDIS**

Saudi Readymix Arabia

“ We have been very pleasantly surprised by the attendance in the exhibition and the concurrently conference. It seems to be exceptionally well marketed and attended. We made a lot of interesting contacts and we have a lot of interesting sales leads as well. It's something that we will look into very seriously as a company. And generally, we've been very pleased with our participation in your exhibition. ”

## TESTIMONIALS

**IAN WILLIAMSON**

The Red Sea Development Company

“ This is a really well attended event and it's great to see so many international suppliers present a great range of products, materials. Delighted to be here. And congratulations on the success of the show. ”
